

## Faculty Profile

**Full Name:** Muhammad Daniyal Ashfaq

**Position/ Designation:** Lab Engineer

**Faculty/Department:** Mechanical

**Email Address:** Muhammad.daniyal@nhu.edu.pk

## Short Introduction

This is me Muhammad Daniyal Ashfaq having done graduation in Mechanical Engineering from Nazeer Hussain University in 2019. Currently, I am working as a “lab Engineer” in Nazeer Hussain University.

## Experience

I was working as a shift Engineer production in Krystalite products limited Industries, Karachi in Dec 2022. I used to give direction to employees and operator to work according to our plan with an appropriate manner and activities and performed regular evaluations in accordance with the company policy. I implemented 5S on regular activity and made OEE of daily production. I ensured employees on assigned shift observed proper team orientation and ensure all company policies and procedures are followed with ensured smooth flow of production and information through entire shift. I monitored quality problems and ensured that all problems are reported in a timely manner.

I worked in Pakistan Oxygen Ltd. as a Maintenance and Production Planning Control Officer in Electrode Factory Plant from 4<sup>th</sup> Nov, 2020. I use to make regular production report and encouraged to control on waste. I enhanced production and control waste thoroughly, made monthly planning of different products that which would have been run according to our plan. The biggest achievement was successfully done ISO 9001 audit. Besides, then I transferred to maintenance department where I used to work on different machines and plan Preventive and Corrective maintenance. I worked on Screw, Hydraulic machine. Cutters machine and Wire drawing, minimize the overhauling of particularly cutter and screw machine.
