

## Faculty Profile

**Full Name:** Shahzaib Shah

**Position/ Designation:** Laboratory Engineer

**Faculty/Department:** Faculty of Engineering Practices & Sciences (FEPS)/  
B.Sc Engineering Technology (Civil)

**Email Address:** [shahzaib.shah@nhu.edu.pk](mailto:shahzaib.shah@nhu.edu.pk)

### Short Introduction

Leveraging years of experience, I am eager to channel my expertise towards optimizing processes and elevating project outcomes in the realm of civil engineering. My career objective is to engage collaboratively with a dynamic team of professionals, fostering an environment of continuous learning and growth. By capitalizing on my practical insights and technical acumen, I aim to refine my craft as a civil engineer, embracing novel approaches and pioneering advancements that reshape the industry's landscape. With an unwavering commitment to excellence, I aspire to contribute significantly to the evolution of civil engineering and drive transformative change within the field. Registered member of Pakistan Engineering Council (PEC) (Registration No: Civil/55880).

### Experience

Lab Engineer at Nazeer Hussain University from December 2022  
Management Trainee at Otsuka Pakistan Limited  
Over 3 Years of Experience in Execution and Management of projects.

### Educational Information

M.S Project Management from Muhammad Ali Jinnah University, Karachi.  
B.E Civil Engineering from Mehran University of Engineering & Technology, Jamshoro.
